PROFESSIONAL:

- Professor of Mathematics, University of Toledo, 1993 to present.
- Acting Associate Chair of Mathematics, 2007-2008 .
- Assistant/Associate Professor, University of Toledo, 1984-1993.
- Postdoctoral Fellow, University of British Columbia, 1982-84.
- Postdoctoral Fellow, California Institute of Technology, 1981-82.
- Postdoctoral Fellow, Stanford University, 1980-81.

EDUCATION:

- Ph.D. Mathematics 1980, Northwestern University.
- M.S. Mathematics 1976, Northwestern University.
- M.Sc. Mathematics 1974, University of Toronto.
- B.Sc. Mathematics 1972, University of Toronto.

RESEARCH INTERESTS:

- Schrödinger operators; Stark effect
- Quantum mechanical scattering theory
- Spectral theory of partial differential operators.
- Pseudodifferential and Fourier integral operators.
- Resonances
- Nonlinear Schrödinger Equation.

PERSONAL:

- Born in Kingston, Canada.
- Naturalized citizen of the United States.

January 11, 2009
