COMPLEX ANALYSIS SEMINAR

ON LIMITS OF SEQUENCES OF HOLOMORPHIC FUNCTIONS

Kasun Tudugala

University of Toledo

ABSTRACT: In this talk, I will present a part of the paper "On limits of sequences of holomorphic functions" written by Steven G. Krantz. The paper mainly discusses the pointwise limit of a sequence of holomorphic functions in one complex variable, and will present some example related to that.

Date: Tuesday, March 29, 2011 (Day Change)

Time: 4pm-5pm

Place: FH 1900 (Room Change)
